

Bridging work for BTEC Performing Arts Dance

Research the following contemporary techniques

Consider: How were they created /who created them? What are the main principles? Where are they practiced today? Find and watch some youtube videos to help with your research

- Release/Skinner releasing technique
- Limon technique
- Cunningham technique
- Graham technique

Research the following choreographers

Consider: Their influences, their choreographic style (what their pieces generally look like), the themes of their pieces, response in the media to their work

- Lloyd Newson/DV8
- Matthew Bourne
- Alvin Ailey
