Key Stage 5 Performance Data

The 2016 and 2017 data is taken from the DfE performance tables. A breakdown by subject can be found as a download in the 'result and destinations' section of our website.

A Level Qualifications

| | 2016 | 2017 |
|-----------------------------|-------|-------|
| Progress Made in KS5 | -0.01 | -0.05 |
| Average Grade | C+ | C |
| Retention | 97.6% | 94.5% |

As a result of our policy to enter pupils for AS exams, the average grades shown above (and on the DfE performance tables) are not a true reflection of the pupil's performance at A Level (*i.e.* the end of Year 13). These results can be found below.

| | 2016 | 2017 |
|----------------------|------|------|
| % A*-A | 20.8 | 24.0 |
